WET CONGRESSMAN FOUND NOT GUILTY OF VIOLATING DRY LAW

Jury Finds That Hill's
"Home Brew" Was
Not Intoxicating "In
Fact".

DRYS NOT WORRIED

Baltimore, Md., Nov. 13 (INS).—After twenty hours deliberation, the jury in the case of Congressman John Philip Hill, on trial in United States District court here on charges of violating the Volstead law, brot in a verdict of not guilty on all six counts of the indictment.

Haggard and drawn after twenty hours deliberation, the jury members who were charged by Judge Morris E. Soper, to determine whether or not wine and cider, admittedly manufactured by Congressman John Philip Hill was "intoxicating in fact," filed into circuit court here at 10 o'clock today and exonerated the anti-Volsteadist on all six counts of the indictment charging him with violating the dry law. The announcement was received by a crowd that extended to the corridors and was greeted with an outbreak of enthusiasm.

Congressman Hill immediately said he would use the trial and the ruling of Judge Soper to press a bill in Congress to legalize the sale of light wines and beer.

Washington, Nov. 13. (INS).—Congressman John Philip Hill's "home brew victory" won before a jury in a Baltimore federal court, will not result in any change in the present policy of the Prohibition Department to ferret out and prosecute home brewers who exceed the legal alcoholic limit in their brewing, it was asserted today by department officials.

From the attitude of the Department of Justice and the prohibition enforcement authorities, Attorney General Stone said it was extremely unlikely the government would take any appeal in the case.

Efforts to elicit a clear-cut, definite statement from prohibition authorities as to what "kick" would be allowed in home brew, and still protect the home brewer from prosecution, failed. Officials declined to commit themselves.

The principal effect of the Hill decision, as seen here, is that it will render more difficult the prosecution of home brewers.

ROTARIANS LISTEN TO FINE TALK FROM FORMER RESIDENT

Rev. D. D. Miller, of Harrisburg, and a former Clearfield boy, was the principal speaker at last night's meeting of the Clearfield Rotary Club at the Jordan. Rev. Miller has been conducting a series of meetings at the Methodist church and was a guest of the Rotary Club of his friend, Russell Shaw, Dr. Ward O. Wilson, a boyhood chum introduced Rev. Miller, while his seatmate at school over on the West Side. Mine host Jessie, fed him. It was a pleasant occasion, Rev. Miller interspersing a splendid talk with some boyhood recollections of Clearfield and Clearfielders that made a hit with his hearers.

The meeting was turned over by Chairman Gurney Smith to Chairman C. A. Stewart, of the Educational Committee and he called upon A. D. Bigler, who read an interesting paper on "Rotary and Business."

ZR-3 To Make First Trial Flight Nov. 15th

Lakehurst, N. J., Nov. 12 (INS).—The Zeppelin ZR-3, the "Los Angeles" will be given its first test flight Saturday, Lt. Joseph C. Arnold, acting commander said at the naval air station here today. A short trip over New York and Philadelphia is contemplated.

Today the Zeppelin was to be inflated with helium, replacing the hydrogen used in the flight across the Atlantic.

SENATOR BORAH TO SEEK RECOGNITION OF RUSSIAN SOVIETS

Harrisburg, Pa., Nov. 12 (INS).—Recognition of Soviet Russia will likely be the policy advocated by United States Senator William E. Borah if he is named chairman of the Senate Foreign Relations Committee to succeed Senator Henry Cabot Lodge.

Speaking before a meeting of Republican men and women here, Senator Borah declared the reconstruction of Europe cannot be effected except by recognition of Russia by the United States.

"We need have little fear of propaganda," he said, "if we give clean, effective Government, honest administration and reduced taxes in this country."

He does not favor entering the League of Nations or any other "political alliance in Europe," he said, and expressed the belief that the United States would continue "separate conferences on economic questions in discharging our serious obligations to Europe."

The Senator added that he does "not believe it possible to have disarmament, open markets or settled economic question without first settling the Russia problem."

Death Of Children Is Due To Carelessness, Investigation Shows

Wilkesbarre, Pa., Nov. 13 (INS).—At the door of carelessness likely will be laid the blame for the deaths of three children late yesterday when they were buried beneath tons of culm while picking coal on a bank at Luzerne. No official inquiry has been planned today into the tragedy which nearly killed two other youngsters.

Warnings, Harrook mine officials and police report, had been issued that a menace existed in the overhanging ledges, one of which, collapsed and caught the three children before they could escape. Only recently, a fence was built to exclude the public which had been in the habit of getting its coal supply from the culm bank. The victims, Helen and Ignatz Keris and John Budnas, will be buried at a triple funeral tomorrow.

From the attitude of the Department of Justice and the prohibition enforcement authorities, Attorney General Stone said it was extremely unlikely the government would take any appeal in the case.

PHENOMENAL RISE OF STOCKS MEANS BUSINESS REVIVAL

Washington, Nov. 13. (INS).—Treasury Department officials today interpreted the present phenomenal rise of stocks, since the election, as indicative of a probable healthier condition of business throughout the country.

Commenting on the boost of \$1,000,000 in security values following the election, officials expressed the belief that these stocks would settle down somewhat.

SHARON MERCHANT IS HELD UP IN STORE

Sharon, Pa., Nov. 13 (INS).—Police here have no trace of the two gunmen who held up Max Kramer in his general store last night and escaped with \$1,400 in cash. One of the robbers backed Kramer in a cellar and took more than \$1,000 in cash from him. After looking Kramer in the cellar, the bandits obtained \$400 from the cash register.

GOT NO WILD TURKEY

John M. Bain returned last evening from a three days hunting trip in the wilds of Fulton county. He said he was after a wild turkey but had to content himself with a string of grey squirrels. While secreted in the brush watching for a turkey one morning at daybreak Bain says a big bear walked past within fifty feet of his hiding place. He never said a word and neither did the bear, but Bain admits a "creepy" feeling up and down his overlong backbone for a few minutes.

W. E. Wallace, Hon. J. Frank Snyder, John B. McGrath and Editor J. F. Short made up a party of Clearfield county people in attendance at the funeral of the late Thomas H. Greevy, Esq., at Altoona yesterday morning.

ALLEGED P. O. THIEF RUN TO EARTH AFTER EXTENDED SEARCH

LaJose Man Arrested at
His Home for Robbing
a Jefferson County
Post Office.

SEVEN YEAR CHASE

Punxsy, Pa., Nov. 12.—After a chase all over the Western part of the United States and covering a period of several years, Edward Bowser, alias Ford Bennett, charged with robbing the Winslow Postoffice of \$142.48 in August, 1917, was arrested yesterday at noon at La Jose. The arrest was made by Postoffice Inspector G. A. Gardner and U. S. Marshall H. E. Chase.

In August 1917 Edward Bowser, Edward Ecceberger and James Smith, it is charged, broke into the postoffice at Winslow and escaped with \$142.20. The men were indicted for the crime in Erie in 1918 and Ecceberger and Smith were taken. Bowser made his escape. It was known that he was in Chicago for a time and in other Western cities, but the officers were unable to apprehend him. Word was received lately that he was working in the mines near La Jose.

U. S. Marshall Chase and Inspector Gardner went to that town and to the home of Bowser yesterday. Bowser was in but denied that that was his name. His brother came into the house while the officers were there, and when asked who that man (pointing to Ed Bowser) was, he promptly replied, "Edward Bowser."

Bowser was brought to Punxsutawney and later taken to Pittsburgh on the afternoon train where he will be given his trial.

It was a long chase for \$142.20.

TOO MUCH FOG! NOT ENOUGH ROAD! BANG!

The automobiles of S. T. McClure of Locust street and Earl Craft, of South Fourth street, got their heads together sounded like such a noise as Market and Fourth streets about 7 o'clock this morning. Mr. McClure was about to turn off Market into Fourth when Craft arrived at the same point on his way to the country on a hunting trip.

The crash when the two cars came together sounded like such a noise as the fall down of the Woolworth building would make, but when our reporter chiseled his way through the fog to the scene he found a busted fender on the McClure car as about the only damage, while the Craft Ford was roaring away with fire in his eye ready for another combat.

Both drivers claimed to have the right of way and the accident was due to the fact that they both attempted to take it.

SEN. WM. M. BUTLER

WILLIAM M. BUTLER NEW SENATOR FROM PRESIDENT'S STATE

National Chairman Is
Named to Succeed the
Late Senator Lodge by
Governor Cox.

A POPULAR CHOICE

Boston, Nov. 13. (INS).—William M. Butler, of New Bedford, chairman of the Republican national committee, was today appointed by Gov. Cox to succeed the late Senator Lodge in the national senate. Under the appointment, Butler will serve until the next state election, two years in the future.

Washington, Nov. 13. (INS).—Appointment of William M. Butler, to succeed the late Senator Henry Cabot Lodge of Massachusetts, was hailed with deep satisfaction today at the White House.

The appointment was virtually dictated by President Coolidge. Butler was manager of the President's pre-convention campaign, and upon his nomination assumed the chairmanship of the national committee. He has been a political mentor for Mr. Coolidge for years.

It is considered as a foregone conclusion that Butler will become the chief spokesman for the administration in the Senate. He will take his seat upon the reconvening of the 68th Congress on Dec. 1, and within three months will become the Bay State's senior senator. This somewhat unusual status will be conferred upon him by the retirement at the end of this session of Senator Davis I. Walsh, Democrat. Speaker Frederick Gillett elected to succeed Walsh, will not take his seat until the beginning of the 69th Congress.

SEEK MORE WORLDS TO CONQUER BY AIR

I. N. S. Staff Correspondent

Washington, Nov. 13.—Not content with its successive aerial conquests of the Atlantic ocean and the globe, America is to undertake an epochal leap over the Pacific Ocean to Hawaii.

It was learned at the Navy Department today that the dirigible Shenandoah is to make the flight from California to Honolulu (early next year in connection with the maneuvers of the Pacific fleet.

The flight across more than 2,000 miles of open water has the hearty approval of the Secretary of the navy, Wilbur.

Tentative plans toward that end have been discussed by aeronautical experts for many months and a report on the equipment necessary is now being prepared for the secretary.

RUN OVER BY WAGON

Henry, the 10 year old son of Mr. and Mrs. W. F. Powell fell under the wheels of Banks Holmes' dray wagon yesterday afternoon about 3:40 o'clock and was painfully bruised when two wheels passed over his arm and shoulder.

The accident occurred at the corner of Third and Market streets as the children were coming down from the Market street school. Henry came running without a broken bone and will soon be O. K. again.

SPECIAL SESSION OF CONGRESS URGED BY SENATOR BORAH

Washington, Nov. 13. (INS).—Senator Wm. E. Borah, of Idaho, who will succeed the late Senator Lodge as chairman of the Senate Foreign Relations committee, expressed the belief today that an extraordinary session of Congress should be called after March 4.

Borah conferred with President Coolidge at the White House on a number of legislative matters, including a possible special session.

The approaching short session, Borah said, would hardly have time for anything else than the routine appropriation bills.

SET UP THE SMOKES

"Gen." W. B. Holmes, Clearfield veteran volunteer fireman who is not only the oldest fireman in active service in the Clearfield department, but the entire Central Penna. District as well, treated his fellow members of Company No. 1 to a smokefest last evening.

"Gen." Holmes was awarded the \$10 prize at Patton for being in the harness as a fireman longer than any other man in the central district and last night let the boys in on the prize money when he presented the company with high class cigars purchased with the ten spot.

BISHOP HOBAN WILL NOT ALLOW BURIAL RITES TO GANGSTER

Chicago, Nov. 12 (INS).—The burial rites of the Roman Catholic church today were denied Dean O'Bannon, gangster, who died Monday as he had lived—by the gun.

As a coroner's jury was being impaneled to deliver a formal verdict on the killing and police were combing the underworld for two women, one of whom is said to have been at the wheel of the automobile in which O'Bannon's slayers escaped, Bishop Edward F. Hoban, Chancellor, handed down the verdict of the church on the life of the millionaire beer runner. Years of gangland life, he said, in answer to a request for burial permission from the widow, has severed O'Bannon's connection with the church in which he was born and raised. Permission was granted, however, for burial in the family plot as a non-member of the church. No religious services will be permitted at the grave Bishop Hoban said.

Police investigation of the killing today had veered somewhat from a theory that liquor was back of the slaying to a belief that O'Bannon's political activities in the recent election might have brought forth enemies which resulted in his death.

They said they were virtually certain that last night's shooting of James Marks, of Canton, Ohio, in the Northwest Side, had no connection with O'Bannon's death. The shooting was at first thought to be a far-up in avenging the gangster but the fact that Marks was only wounded led police to abandon that theory.

"When those fellows shoot anything, the men they're shooting at won't get wounded. They shoot to kill—and they never fail," chief of detectives Hughes said today.

Bernard Nolan, of Brown's shoe store, was the fortunate recipient of the beautiful silk flag given away by the Phillipsburg Legion post.

San Diego, Cal., Nov. 13.—The torpedo destroyer Paul Hamilton, accidentally struck by a torpedo from another ship during target practice off San Diego late yesterday, was speeding toward this port this morning.

It was stated positively, however, no one was injured in the accident.

WELL KNOWN LEGIONNAIRE IN AUTO ACCIDENT

Earl Yeager Dies In Hospital of Injuries Sustained Returning from the Phillipsburg Event

3 OTHERS INJURED

DuBois, Nov. 13.—As a result of an automobile accident that took place at 4:45 o'clock yesterday morning on the state road near the reconquest farm, south of DuBois, a man is dead and two others are injured.

The dead: Earl Yeager, of 122 East North street, driver of the car. Badly injured ankle, shock and possible internal injuries; at home.

The injured: James Dams, of 25 North Main street, driver of the car. Badly injured ankle, shock and possible internal injuries; at home.

George Olson, Lowe Apartments, nose smashed and cut by glass about the face; at home.

George Fitzgerald and Don Swisher, the other occupants of the car, escaped with minor injuries, neither one requiring surgical attention.

The accident occurred on the macadam road, just after the concrete was left on the road coming into DuBois. The party had been to Phillipsburg, going there Tuesday morning for the purpose of participating in the Armistice Day program. After taking in the various activities of the day and evening the start home was made shortly after 3 o'clock yesterday morning.

A light rain had fallen, starting shortly after 2 o'clock in the morning, and as it was freezing slightly at the time, it made the roads somewhat slippery, although this condition was not noticeable on the concrete. According to those who were in the car, Mr. Dams was making about 31 miles per hour when he swung around the curve on the concrete and ran onto the macadam. The car skidded when striking the macadam, but the driver righted it and shut off the gas. The car had only proceeded a short distance until it again skidded, this time the rear wheels swinging to the left, while the front wheels headed for the ditch to the right. In swinging around the rear of the car struck a telephone pole, causing the car to stop abruptly. At the time of the impact George Fitzgerald was riding in the front seat with Mr. Dams; Don Swisher, George Olson and Mr. Yeager were seated in the rear. According to Mr. Swisher Mr. Yeager was asleep at the time of the impact. When the crash came, all of the occupants were thrown from the car but so suddenly did it happen that none of them is clear as to just how they left the car. It is certain, however, that some of them went through the roof, as it is splintered into pieces. Others it is believed, went through the side windows. Just in what manner Mr. Yeager left the car is not certain, but it is believed that he was thrown out through the roof and on leaving the car struck the telephone pole hit by the rear of the automobile. The other occupants were tossed several feet away, and when they had gathered themselves up and looked around they discovered Mr. Yeager lying by the pole unconscious. He was removed to the Maple Avenue hospital where he expired about two hours later.

It was a tragic ending to a day of commemoration and caused deep sorrow on the part of all Legion members as well as the many friends of the Yeager family.

Earl Yeager was one of the well known veterans of the World War, and was an active member of the local Legion. His interest in the affairs of the Legion prompted him to make the trip to Phillipsburg yesterday. He left home about 9:45 o'clock, waving a farewell to his two children, who were playing in front of the home at the time.

Mr. Yeager was 27 years of age, and was a graduate of the DuBois High school, class of 1918. He was a young man of exemplary worth. (Continued on Page Two.)

and his tragic death will cause general sorrow throughout the city. He is survived by his wife and two children, as well as his parents, Mr. and Mrs. R. H. Yeager, of West-Scribner avenue; one sister and a brother, Paul Yeager who is located in Pittsburgh.

No arrangements for the funeral had been completed last evening.

Another Overturn

Just a short time previous to the fatal upset of the Darius car, another machine overturned at almost the same place. This car was also being driven back from Phillipsburg, and Sam Marrara was at the wheel. He was accompanied by Joe Feinberg. The car went over, but was traveling at a slow pace and no one was hurt.

WINDBER HIGH NEXT IN LINE FOR C. H. S.

Saturday Coach Reed and his clan journey to Windber to meet Windber High in Clearfield's final league game. Windber, although their team is not near what they had last year, has an eleven that will make Clearfield play their best to have a possibility of winning. The "coal town" team has several notable performances to its credit, the latest being holding Norwin High, runners up for state championship and nearly winning, losing only on some bad breaks. Another notable performance was a 15-0 game with Look Haven which the miners lost by a little tough luck. Clearfield High's squad reported for practice last evening in fair shape, the only injuries being a couple bruises. But they should be around O. K. before Saturday and the team should enter Saturday's game at their best "fightin' weight." DuBois and Curwensville got a lot of encouragement out of Tuesday's game and score and are preparing to put Clearfield on the slaughtered list.

Both of these teams claim a much better showing against Windber than Clearfield made but they must meet Clearfield and defeat them to win from them.

THANKSGIVING DAY RUN

Clearfield athletic followers are to have the privilege of witnessing a real Thanksgiving Day run this season if present details work out as planned.

Most every city this size or per-

haps a little larger, never fails to put on their annual Thanksgiving race to which the residents turn out to encourage and see. Clearfield is to be no exception.

The first annual event will be in the form of a Relay Race and will be staged between the churches by young men over 16 years of age; the number of runners on each team being according to the number of churches which enter. The course will

start and finish at the Y. M. C. A. but cannot be determined until all the entries have been received and which close Thursday, Nov. 20th at 9:00 p. m. This will give the runners one week to train on the course. The first man of each team will start at the "Y" and run to the first church outlined on the course where he will pass an object to the second man on his team and so on until the course is covered.

A large handsome banner, now on display in the Y. M. C. A. lobby, will be awarded to the winning team and must be won two years for permanent possession. The entry will be 50 cents for each team, entries to be made with Physical Director at the Y. M. C. A. There are many local athletes waiting for just such a chance to keep in shape and no doubt many teams will be entered which will bid fair for a successful race.

Such popularity must be deserved

To convert critics into enthusiasts, whether for a newschool of music or for a cigarette, requires something more than luck. There's sound reason for every big swing in popular taste.

So, to account for Chesterfield's

swift rise, look to the cigarette itself, its tobacco, its blending—in short, its taste. This one thing alone—its decidedly better taste—explains why thousands of smokers are changing from other cigarettes to Chesterfield.

ODDS AND ENDS AND THINGS

By J. D. C.

Louis Angel Firpo is like the late lamented Democratic party—needs a lot of "road work" and a "punch." Both have gone to seed.

Recently a great English cathedral was opened under singular liberal conditions. The officiating bishop declared that the structure was to be regarded as the home of all Christians, regardless of their denominational affiliations. Dissenting ministers are to be invited to officiate a time to time. And now comes the English bishop to the front in a scheme to open his cathedral to all sorts of Christians with the ultimate purpose of bringing about a real and complete union of all the Christian bodies. These are fine signs, indications of the growth of the spirit of liberalism among the state churches, but the actual union of all professing Christians is still in the remote future.

Applications for the soldier's bonus are reaching Washington so sluggishly that the Government is considering a nationwide campaign to hurry along the requests. Unless the applications are speeded, the Government bonus machinery will have no material on which to work after the first of the year.

No public spirited citizen, who makes any pretense at considering himself a Christian can justify himself in refusing to enroll as a member of the local chapter of the American Red Cross. This very worthy organization, in looking after and guarding the public health, relieves the distress surrounding the cases brought to their attention and therefore are doing His work in a manner

that is both effective and true Christian like. When the solicitors come to your door in a few days, as they will, let your conscience be your guide. Do not act the lie by pretending you are out, but receive the collector, enroll your name and pay over your dollar cheerfully. It is well worth while.

NORWIN HL. IN SYRACUSE RACE, DOWNS WINDBER

Johnstown, Pa., Nov. 11.—Norwin High school encountered some real opposition from the plucky Windber eleven at Windber today and it was not until after a bitter and desperate struggle that the redoubtable dand smooth working visiting team was able to grasp the laurels by a 13-0 score. The visitors scored as the result of breaks of the game, and it was a disheartening defeat for Windber, which put up a courageous battle against big odds and did laudable defensive work.

In the second quarter, Elkins intercepted a pass near midfield, returning the oval to the 30-yard line from where the visitors worked it over on successive line plays. Another score in the fourth quarter resulted directly from a fumble. Albright scooping the ball up near midfield and racing for a touchdown. Wilson, stellar tackle, suffered a fracture of the shoulder and will be out the rest of the season. Lineup:

LONGEST DRY PERIOD

Pittsburgh, Pa., Nov. 13, (INS).—The longest dry period in the history of Pittsburgh may be broken early tomorrow by a rain storm now moving eastward over Kentucky, Indiana and the Mississippi valley, according to the forecast made today by the local weather bureau.

Rain in any quantity has been absent from this section for 44 days, only .14 of an inch having fallen since October 1.

'Squire J. W. Laing and Constable Aaron Peacock, of Coalport, were transacting legal business at the Court house today. Constable Peacock said he was not much alarmed over the spite suit brought against him by interested parties up in that end of the county.

W. E. Sollinger, the life saver man, whose product, Andy Volstead, was supposed to have retired from the arena, was in Clearfield today demonstrating that good things can "come back."

IS RECOVERING SLOWLY

Philip Watts is recovering quite slowly from the injury he received in an automobile accident over a week ago, although doctors believe he will pull through in time. Only a subconscious state has existed, so far, and he will respond to question at times. He has not recognized any of his folks yet.

The accident occurred near Urbana,

Ohio, while returning to school with some boy friends. The driver was blinded by the lights of another car and hit a high culvert, throwing all the occupants out, but only injured the one person who did not happen to be driving at the time. Ones who saw the accident said the boys were traveling at a moderate speed but owing to the sudden stopping of the car were thrown very hard.

FAREWELL PARTY

Lysle Owens, who left yesterday for Arizona, was tendered a farewell reception or party at Idora Park the evening before at which a large number of his friends were present. The party was gotten up by Sylvan Williams and was a very pleasant occasion. Dancing and games were indulged in and delicious refreshments enjoyed.

Mr. Owens expects to spend a couple of days with friends in St. Louis while on his way west.

Eleventh Commandment. Answering a question as to the religious significance of the so-called Eleventh Commandment, a reader states that the answer is found in the book of John 13:31, in which Jesus said: "A new commandment I give unto you, that you love one another."

To Cultivate a Sense of National Responsibility Toward the Fisheries

By HERBERT HOOVER, U. S. Secretary of Commerce.

WE HAVE not alone the problem of food fisheries, but we have a problem that, while perhaps not so vital to food, is yet vital to the development of American life; that is the problem of the development of the automobile and good roads. The development of the automobile and good roads has enabled a far larger portion of our people to take to the great outdoors for recreation both of body and soul. I do not consider it an exaggeration to say that this summer will have seen two million anglers upon our streams and coast. In one state alone 200,000 individual licenses have been issued this year. Every fisherman will confirm that our game fish are decreasing steadily under this pressure and with them one of the great lures to the outdoors is being destroyed. We cannot maintain our fisheries unless we allow enough of each species to escape to reproduce the school, and unless we increase and improve our methods in propagation. We cannot get them to reproduce if we pollute and poison the waters in which they must spawn. The steps before us are:

To cultivate a sense of national responsibility toward the fisheries and their maintenance; to make conservation of those priceless resources a part of the national instinct; to let the whole country understand that we can no more overfish and expect to have sea food than we can outcut the growth of our forests and expect to have timber.

To make a vigorous attempt to restore the sturgeon, salmon, shad, lobster, crab, oyster and clam and other littoral fisheries on the Atlantic coast.

To secure the prevention of pollution from sources other than ships both in coastal and inland waters.

To undertake the reinforcement of stocks of game fish throughout the United States.

The World Needs Most a New Understanding of the Knowledge at Hand

By DR. ARTHUR D. LITTLE, Address to Franklin Institute.

The "fifth estate" is that small company upon whose creative effort the world depends for the advancement of science. Our countrymen may well consider whether they prefer participation in government by the fifth estate for the benefit of all, or control of government by labor unions in the interests of labor.

Could the springs of human conduct and the affairs of peoples now be regulated only as wisely as we know how, there would be work and leisure and decent living for all.

The criminal, the defective, the feeble-minded would be bred out, and sane minds and sound bodies bred in. The loss and suffering from preventable diseases or accident would not be tolerated, planning would replace laissez-faire development, production and distribution would attain the levels of efficiency altogether new, and many injustices now existent in human relations would well-nigh disappear.

With the reaction of a freed intelligence on politics, religion and morals we might hope for a broader tolerance, a better mutual understanding.

The world needs most a new tolerance, a new understanding and appreciation of the knowledge now at hand.

For these it can look nowhere with such confidence as to the members of the fifth estate.

Progress Editorials for Women

THAT STICK-TOGETHER HABIT

By FLORENCE DAVIES

"Sheep women." That's what a clearheaded business woman with a good sense of values called the group she was discussing over the teacups. "They asked us all to send our cars to take the convention delegates and visitors driving," she said. "The chairman of transportation worked like a dock foreman, trying to load up the flivvers and 'coopers' and limousines that were pawing the air in front of the hotel where nobody is allowed to park."

"Do you think those women would hurry and get in and go off? They had to see Mrs. Blank just a minute, or they wanted to crowd a group of five into a four-seater with a driver. That was the really aggravating thing. Instead of breaking up, getting away from Mrs. Somebody they'd come up with, and making new friends, they'd hold up the procession unless they could 'all go together.'"

"O yes, they really wanted to go, but they were just 'sheep' women. Couldn't separate from the bunch. Must go when and where the others went, see things together. I drew one passenger when I gave up the afternoon to take three."

Togetherism is weakening somewhat since women began to learn to stand alone with their own ballots in their hands, but there is still too much of it.

Strong friendships among women, the power to work together in harmony, may be developed without the little clique spirit that makes the same group "bunch" together at the club luncheon, the afternoon tea, the lecture or gallery tour.

The way to broaden one's mind and one's heart is to take advantage of the changes to make new acquaintances, new friends, either in one's home town or at an up-state convention.

"Sheep women." Are you one of them? Don't be. It isn't 1924.

PENNSY - GRAMS

Philadelphia, Nov. 13 (INS).—Following the arrest of Carl W. Schmid, a teller at the Franklin branch of the Franklin Trust Company yesterday, in connection with the disappearance of \$90,000 of bank funds, a warrant was issued for the arrest of a fugitive clerk, whose name has not been revealed. Schmid told police he was a "foob" and had merely covered up for the other man without profiting himself.

Philadelphia, Nov. 13 (INS).—Hiding in her room until she returned with two men callers, William Wilson, a railroad detective last night shot and killed Mrs. Anita Buckman, 35, a widow, and then fired a bullet into his own brain. Harrisburg, Nov. 13 (INS).—The 500,000 licensed hunters of the State can now take to the fields after bear and small game without worry of forest fire danger. Rain and mists have lessened the fire menace to such an extent that Gov. Pinchot has opened the entire State.

Harrisburg, Nov. 13 (INS).—Clarence Beck, coach of Tech football team, will again take charge of the squad this week. Beck was injured while playing for the Pottsville Maroons and will be lost to them for the remainder of the season. However, his injuries will not keep him from his work as coach.

Norristown, Pa., Nov. 12 (INS).—Police are holding Albert Coates, 21, colored, who is believed to have turned on several gas jets flooding the house with fumes, while robbing the home and store of Mrs. Mary Clark, 70 here last night. Mrs. Clark heard the man moving about the store and notified the police. It is thought that Coates may have planned to asphyxiate the women to prevent his capture.

Philadelphia, Pa., Nov. 12 (INS).—Dashing back into her burning home last night to rescue her pet dog, Miss Priscilla Hart, 21, nearly lost her life. Firemen found her unconscious on the floor with the little dog tightly clasped in her arms.

The New Studebaker Special Six Duplex-Phaeton

Open car when you want it —an enclosed car in 30 seconds

WITH the new-type Studebaker Duplex you may take your choice—ride in an open car if you like—enjoy the cool, fresh air and healthful sunshine.

Then in 30 seconds—without even leaving your seat—it can be changed to a deeply cushioned, richly appointed, fully protected enclosed car. It's no fuss or bother at all—simply lower the roller enclosures—it's so easy a child can do it.

No more hurried efforts to put up curtains in the wind and rain.

No more hunting for the right one while the storm beats in.

No more exposure through holes torn in

them while trying to obtain for the emergency the protection given by a closed car.

For in the Duplex the side enclosures are instantly accessible—yet rolled up safely out of the way when not in use.

If this two-fold utility were the only feature of the new Studebaker cars they would still be a sensational value—but there are many others.

New body lines—new beauty—more powerful engines—new ease of gear shifting—genuine balloon tires—and the easiest steering car you ever drove.

In justice to yourself—see this car today.

GRAMLICH-WARNER

Mr. Joseph C. Gramlich of Baltimore, Md., and Miss Laura Louise Warner of Clearfield, Pa., were united in marriage in the West Side M. E. parsonage on Saturday afternoon, Nov. 8th, 1924, by the pastor, William L. Armstrong. The ring ceremony of the Methodist Episcopal Church was used. The bride's mother, Mrs. Ernest L. Brooks, and her brother, Mr. Ernest L. Brooks, were the best men. The groom is a traveling salesman for the Chicago Shirt Manufacturing Company. Their friends wish them the best and most prosperous life possible with all attending happiness.

When Foote Scored on Garrick, Garrick, the famous actor, was well known for his meanness, and one day Foote, the comedian, scored neatly. Garrick had been ridiculing a third party, when he retorted and said: "Well, I suppose I ought to take the beam out of my own eye before I condemn another." "So you would," retorted Foote. "If you could but sell the timber!"

FAILS TO APPEAR AFTER BEING RELEASED, MAN RE-ARRESTED

Sheridan Coder, who failed to reappear at the office of Alderman H. C. McClellan some time ago after he had been released on his own recognizance on a charge of attempted larceny, was re-arrested yesterday by Constable Henry Boldt and will be given a hearing today.

Coder came to Altoona more than a month ago with a party of men from Clearfield who were looking for work. While the others of the party sought employment Coder is alleged to have attempted to steal an automobile, loosening the wires and trying to reconnect them that the engine of the car might be started without unlocking the ignition.

He was arrested on the information of the men but was unable to give bail for a hearing and because Alderman McClellan was called away from town was released on his honor. Coder failed to reappear until found by the constable yesterday.—Altoona Tribune.

GILL-BELL

The groom is a prominent and successful business man of Coalport and the happy couple will take up their residence there. Their host of friends unite in wishing them a happy and successful life together.

Now that the election is over, maybe the papers will dig up a good murder to read about.

Money is different from other things. The less money you have the harder it is to keep.

When woman's place is in the home, everything else is out of place.

The thrill in planting a narcissus bulb comes when guessing if it will be a jonquil or an onion.

Thanksgiving, it seems, let us all be thankful we are not postal clerks watching Christmas getting so near.

And we can be thankful shoes are not like automobiles as we would have to sit down when we got a hole in them.

Let us be thankful all the girls chewing gum are not chewing tobacco.

Thoughts Of A Grandfather's Clock—

"Tick tock, tick tock—I certainly like this new home I'm living in. Big hall-way, hardwood floors, lots of light. I may be old, but I have young ideas.

"Such a lovely lady owns me. She seems very fond of me—winds me, herself, and shows me off to all her friends. This is the life.

"The people I lived with before had me stuck in their back hall. It was so dark I could hardly see my hands before my face. They always wanted to sell me and get a modern clock. Bah!

"The day my new owner saw the ad about me in the Progress classified section was a lucky one for her, I guess, because she said I was a real bargain.

"The next thing I knew—I was in some shop, getting varnished and all fixed up. The davenport over there tells me that practically the same thing happened to him—and that our owner watches the Progress' Household Goods column for bargains all the time.

"You'll have to excuse me while I strike two. Ding! Ding!"

Dante Made Big Hit Here Last Evening

Dante, the noted European magician, will appear under the management of Thurston, famous American magician, closes a 2 days engagement at Deings Theatre tonight. Every man, woman and child can remember, with a thrill of genuine pleasure, the joy he or she experienced in witnessing their first magic show. It somehow or other takes its place as a producer of exhilarating sensations in the region of the solar plexus, or Christmas Eve around the old fireplace, that wondrous day, when as a boy we put on long trousers, or as a girl put on long skirts and "did" our hair—or graduation day in the "opry" house back home. Herman and Keller and Thurston, the three magicians stars in the realm of magic for the past fifty years, will be recalled by members of the older generation. Thurston succeeded Keller eighteen years ago and has proven himself in that time to be unquestionably the greatest magician America has ever produced. Of late years, however, the demand for his appearance has been so great that he has finally made arrangements with Dante, Europe's foremost conjurer, to visit this country. Dante has just completed a tour of continental capitals, during which he played before King Christian of Denmark, King Albert of Belgium, the Prince of Monaco, King Alfonso of Spain and the Prince of Wales.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested food? Take Olive Tablets the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without drugs, or cramps or pain.

Take two at bedtime for quick relief. See what you like. 15c and 50c.

OXIDAZE

TABLETS
Made With Essential Oils
Politicians--Auctioneers
Clergymen--Lecturers
Singers

Anyone who speaks or sings in public whose voice is apt to grow hoarse or weak from the strain, will find that one Oxidaze tablet slowly dissolved in the mouth before speaking or singing, will make a world of difference. The voice stays strong and clear and natural even during an unusual strain.

Thousands of people have testified to the remarkable value of these pure essential oil tablets, which bring such quick relief in cases of Hoarseness, Loss of Voice, Soreness, or Tickling in Throat, Bronchitis, Bronchial Irritation, Bronchial Asthma, Coughs, Colds, and as a preventative against Grippe, Influenza and Pneumonia.

One small inexpensive package of "Oxidaze" tablets will quickly prove the value of pure essential oil in cases of this kind; if they are always kept in the house for use in case of an emergency, they may save you many days of serious illness or discomfort. Any good druggist, including Bloom's Drug Co., can supply you.

Eating Here Is Pleasant

The desire for human companionship, especially about the time when you would have gathered around your own table had you been eating at home, is satisfied here. The folks who eat here regularly are just like one big family with the pleasant side out.

Join the family and you'll enjoy it.

A regular meeting of Rescue Hose and Ladder Co., has been called for next Monday evening, at which time all members are requested to be present as business of great importance will come up before the body.

Friday evening a business meeting of the W. C. T. U. will be held at the home of Mrs. J. C. Gates, corner of George and Walnut streets.

Don't forget the "sock" social, to be held in the Lutheran church tomorrow evening. There will be lots of fun and amusement for everyone.

Mrs. Fred McKenrick late of Africa, and Miss Irene McKenrick, clerk in the Way store, are spending the week in New York City.

Bob Clark who is employed in Williamsport was home over the week end visiting with his family and calling on old time friends.

Miss Jeanette Miller, clerk in the post office, and her mother Mrs. Venie Miller, spent Sunday last in Altoona with relatives.

Miss Meyer, a sister of Mrs. Clyde Gates, is spending the week at the Gates home.

A surprise party was held at the home of Mrs. George Saville, north Filbert street, Tuesday evening. Some forty or fifty guests were entertained in a pleasant manner, after which a fine luncheon was served all around.

Miss Annie Hill has returned to Curwensville for a rest after spending some months in Cleveland as a professional nurse.

Mr. and Mrs. J. G. Fullerton and several others attended a "con"

Glad He Picked This Good Stomach Remedy

Put Stomach in Fine Condition; Ends Dizzy Spells, Catarrh and Makes You Sleep Well

Indigestion eating causes acute indigestion, gas, acidity, heartburn and sour stomach—sometimes the distended stomach causes that dreadful feeling of near suffocation.

Isn't it worth something to know of a remedy that will stop this distress in a few minutes—quicker than anything else you can think of?

This is no common stomach remedy for it took years of time to combine Pepsin with Menthol and the other effective agents that make Dares' Mentha Pepsin so good that the worst cases of indigestion and gastritis and other chronic stomach ailments are speedily overcome and the most badly deranged stomachs are made clean, strong and healthy.

Mr. Calvin Dilks of Alloway, N. J., a man of few words knows this for he writes: "I entirely rid myself of an old catarrhal condition of the stomach with Dares' Mentha Pepsin."

How Chemists Detect Poison. The usefulness of chemistry in poisoning cases is well known. It enables us to determine the nature of the poison used, the way in which it was administered and the amount given. Some poisons are so persistent that their presence can be detected even if the chemical examination is not made for weeks, or perhaps months, after death has occurred.

AFRAID SHE COULD NOT LIVE

Operation Advised, But Lydia E. Pinkham's Vegetable Compound Made It Unnecessary

Glasgow, Kentucky. — "I was run-down, nervous, with no appetite. My side had given me trouble for five or six years. I was all the time it was all I could do to live, and the doctor said I couldn't live but a short time longer without an operation. That was two years ago. My sister-in-law recommended Lydia E. Pinkham's Vegetable Compound. She had never used it herself, but she said one of her neighbors suffered just like I did, and it cured her. After I had taken four bottles the pain left my side, I had a fine appetite to eat anything that was put before me, and I began to do all my work and my washing, something I hadn't done for years. I am a dressmaker, and this last fall I began suffering with my side again, so I began taking the Vegetable Compound again. I am on my fourth bottle, which makes eight in all I have taken. I feel so much better when I take it and everybody tells me I look better. My appetite improves and I feel stronger in every way. I am a very nervous woman and it seems to help my nerves so much." — Mrs. MAGGIE WALLER, Glasgow, Ky.

WET CONGRESSMAN FOUND NOT GUILTY OF VIOLATING DRY LAW

Jury Finds That Hill's
"Home Brew" Was
Not Intoxicating "In
Fact".

DRYS NOT WORRIED

Baltimore, Md., Nov. 13 (INS).—After twenty hours deliberation, the jury in the case of Congressman John Philip Hill, on trial in United States District court here on charges of violating the Volstead law, brought in a verdict of not guilty on all six counts of the indictment.

Haggard and drawn after twenty hours deliberation, the jury members who were charged by Judge Morris E. Soper, to determine whether or not wine and cider, admittedly manufactured by Congressman John Philip Hill was "intoxicating in fact," filed into circuit court here at 10 o'clock today and exonerated the anti-Volsteadist on all six counts of the indictment charging him with violating the dry law. The announcement was received by a crowd that extended to the corridors and was greeted with an outbreak of enthusiasm.

Congressman Hill immediately said he would use the trial and the ruling of Judge Soper to press a bill in Congress to legalize the sale of light wines and beer.

Washington, Nov. 13. (INS).—Congressman John Philip Hill's "home brew victory" won before a jury in a Baltimore federal court, will not result in any change in the present policy of the Prohibition Department to prosecute and prosecute home brewers who exceed the legal alcoholic limit in their brewing, it was asserted today by department officials.

From the attitude of the Department of Justice and the prohibition enforcement authorities, Attorney General Stone said it was extremely unlikely the government would take any appeal in the case.

Efforts to elicit a clear-cut, definite statement from prohibition authorities as to what "kick" would be allowed in home brew, and still protect the home brewer from prosecution, failed. Officials declined to commit themselves.

The principal effect of the Hill decision, as seen here, is that it will render more difficult the prosecution of home brewers.

ROTARIANS LISTEN TO FINE TALK FROM FORMER RESIDENT

Rev. D. D. Miller, of Harrisburg, and a former Clearfield boy, was the principal speaker at last night's meeting of the Clearfield Rotary Club at the Clearfield Hotel. Rev. Miller has been conducting a series of meetings at the Methodist church and was a guest of the Rotary Club of his former home town. Dr. Ward O. Wilson, a boyhood chum introduced Rev. Miller, while his seatmate at school over on the West Side. Mr. Miller, a former Clearfield boy, was a pleasant occasion, Rev. Miller interspersing a splendid talk with some boyhood recollections of Clearfield and Clearfielders that made a hit with his hearers.

The meeting was turned over by Chairman Gurney Smith to Chairman C. A. Stewart, of the Educational Committee and he called upon A. D. Bigler, who read an interesting paper on "Rotary and Business."

Today the Zeppelin was to be inflated with helium, replacing the hydrogen used in the flight across the Atlantic.

SENATOR BORAH TO SEEK RECOGNITION OF RUSSIAN SOVIETS

Harrisburg, Pa., Nov. 12 (INS).—Recognition of Soviet Russia will likely be the policy advocated by United States Senator William E. Borah if he is named chairman of the Senate Foreign Relations Committee to succeed Senator Henry Cabot Lodge.

Speaking before a meeting of Republican men and women here, Senator Borah declared the reconstruction of Europe cannot be effected except by recognition of Russia by the United States.

"We need have little fear of propaganda," he said, "if we give clean, effective Government, honest administration and reduced taxes in this country."

He does not favor entering the League of Nations or any other "political alliance in Europe," he said, and expressed the belief that the United States would continue "separate conferences on economic questions in discharging our serious obligations to Europe."

The Senator added that he does "not believe it possible to have disarmament, open markets or settled economic question without first settling the Russia problem."

Death Of Children Is Due To Carelessness, Investigation Shows

Wilkesbarre, Pa., Nov. 13 (INS).—At the door of carelessness likely will be laid the blame for the deaths of three children late yesterday when they were buried beneath tons of culm while picking coal on a bank at Luzerne. No official inquiry has been planned today into the tragedy which nearly killed two other youngsters.

Warnings, Harrook mine officials and police report, had been issued that a menace existed in the overhanging ledges, one of which, collapsed and caught the three children before they could escape. Only recently, a fence was built to exclude the public which had been in the habit of getting its coal supply from the culm bank. The victims, Helen and Ignatz Keris and John Budnas, will be buried at a triple funeral tomorrow.

PHENOMENAL RISE OF STOCKS MEANS BUSINESS REVIVAL

Washington, Nov. 13. (INS).—Treasury Department officials today interpreted the present phenomenal rise of stocks, since the election, as indicative of a probable healthier condition of business throughout the country.

Commenting on the boost of \$1,000,000 in security values following the election, officials expressed the belief that these stocks would settle down somewhat.

He never said a word and neither did the bear, but Bain admits a "creepy" feeling up and down his overlong backbone for a few minutes.

ALLEGED P. O. THIEF RUN TO EARTH AFTER EXTENDED SEARCH

LaJose Man Arrested at
His Home for Robbing
a Jefferson County
Post Office.

SEVEN YEAR CHASE

Punxsy, Pa., Nov. 12.—After a chase all over the Western part of the United States and covering a period of several years, Edward Bowser, alias Ford Bennett, charged with robbing the Winslow Postoffice of \$142.48 in August, 1917, was arrested yesterday at noon at La Jose. The arrest was made by Postoffice Inspector G. A. Gardner and U. S. Marshall H. E. Chase.

In August 1917 Edward Bowser, Edward Eichelberger and James Smith, it is charged, broke into the postoffice at Winslow and escaped with \$142.20. The men were indicted for the crime in Erie in 1918 and Eichelberger and Smith were taken. Bowser made his escape. It was known that he was in Chicago for a time and in other Western cities, but the officers were unable to apprehend him. Word was received lately that he was working in the mines near La Jose.

U. S. Marshall Chase and Inspector Gardner went to that town and to the home of Bowser yesterday. Bowser was in but denied that that was his name. His brother came into the house while the officers were there, and when asked who that man (pointing to Ed Bowser) was, he promptly replied, "Edward Bowser."

Bowser was brought to Punxsutawney and later taken to Pittsburgh on the afternoon train where he will be given his trial.

It was a long chase for \$142.20.

TOO MUCH FOG! NOT ENOUGH ROAD! BANG!

The automobiles of S. T. McClure of Locust street and Earl Craft, of South Fourth street, got their heads together sounded like such a noise as Market and Fourth streets about 7 o'clock this morning. Mr. McClure was about to turn off Market into Fourth when Craft arrived at the same point on his way to the country on a hunting trip.

The crash when the two cars came together sounded like such a noise as the fall down of the Woolworth building would make, but when our reporter chiseled his way through the fog to the scene he found a busted fender on the McClure car as about the only damage, while the Craft Ford was roaring away with fire in his eye ready for another combat.

Both drivers claimed to have the right of way and the accident was due to the fact that they both attempted to take it.

SEN. WM. M. BUTLER

WILLIAM M. BUTLER NEW SENATOR FROM PRESIDENT'S STATE

National Chairman Is
Named to Succeed the
Late Senator Lodge by
Governor Cox.

A POPULAR CHOICE

Boston, Nov. 13. (INS).—William M. Butler, of New Bedford, chairman of the Republican national committee, was today appointed by Gov. Cox to succeed the late Senator Lodge in the national senate. Under the appointment, Butler will serve until the next state election, two years in the future.

Washington, Nov. 13. (INS).—Appointment of William M. Butler, to succeed the late Senator Henry Cabot Lodge of Massachusetts, was hailed with deep satisfaction today at the White House.

The appointment was virtually dictated by President Coolidge. Butler was manager of the President's pre-convention campaign, and upon his nomination assumed the chairmanship of the national committee. He has been a political mentor for Mr. Coolidge for years.

It is considered as a foregone conclusion that Butler will become the chief spokesman for the administration in the Senate. He will take his seat upon the reconvening of the 68th Congress on Dec. 1, and within three months will become the Bay State's senior senator. This somewhat unusual status will be conferred upon him by the retirement at the end of this session of Senator Davis I. Walsh, Democrat. Speaker Frederick Gillett elected to succeed Walsh, will not take his seat until the beginning of the 69th Congress.

SEEK MORE WORLDS TO CONQUER BY AIR

I. N. S. Staff Correspondent

Washington, Nov. 13.—Not content with its successive aerial conquests of the Atlantic ocean and the globe, America is to undertake an epochal leap over the Pacific Ocean to Hawaii.

It was learned at the Navy Department today that the dirigible Shenandoah is to make the flight from California to Honolulu (early next year in connection with the maneuvers of the Pacific fleet.

The flight across more than 2,000 miles of open water has the hearty approval of the Secretary of the navy, Wilbur.

Tentative plans toward that end have been discussed by aeronautical experts for many months and a report on the equipment necessary is now being prepared for the secretary.

BISHOP HOBAN WILL NOT ALLOW BURIAL RITES TO GANGSTER

Chicago, Nov. 12 (INS).—The burial rites of the Roman Catholic church today were denied Dean O'Bannon, gangster, who died Monday as he had lived—by the gun.

As a coroner's jury was being impaneled to deliver a formal verdict on the killing and police were combing the underworld for two women, one of whom is said to have been at the wheel of the automobile in which O'Bannon's slayers escaped, Bishop Edward F. Hoban, Chancellor, handed down the verdict of the church on the life of the millionaire beer runner. Years of gangland life, he said, in answer to a request for burial permission from the widow, has severed O'Bannon's connection with the church in which he was born and raised. Permission was granted, however, for burial in the family plot as a non-member of the church. No religious services will be permitted at the grave Bishop Hoban said.

Police investigation of the killing today had veered somewhat from a theory that liquor was back of the slaying to a belief that O'Bannon's political activities in the recent election might have brought forth enemies which resulted in his death.

They said they were virtually certain that last night's shooting of James Marks, of Canton, Ohio, in the Northwest Side, had no connection with O'Bannon's death. The shooting was at first thought to be a far-up in avenging the gangster but the fact that Marks was only wounded led police to abandon that theory.

"When those fellows shoot anything, the men they're shooting at won't get wounded. They shoot to kill—and they never fail," chief of detectives Hughes said today.

WELL KNOWN LEGIONNAIRE IN AUTO ACCIDENT

Earl Yeager Dies In
Hospital of Injuries Sustained
Returning from the
Phillipsburg Event

3 OTHERS INJURED

DuBois, Nov. 13.—As a result of an automobile accident that took place at 4:45 o'clock yesterday morning on the state road near the reconquest farm, south of DuBois, a man is dead and two others are injured.

The dead: Earl Yeager, of 122 East North street, driver of the car. Badly injured ankle, shock and possible internal injuries; at home.

The injured: James Dams, of 25 North Main street, driver of the car. Badly injured ankle, shock and possible internal injuries; at home.

George Olson, Lowe Apartments, nose smashed and cut by glass about the face; at home.

George Fitzgerald and Don Swisher, the other occupants of the car, escaped with minor injuries, neither one requiring surgical attention.

The accident occurred on the macadam road, just after the concrete was left on the road coming into DuBois. The party had been to Phillipsburg, going there Tuesday morning for the purpose of participating in the Armistice Day program. After taking in the various activities of the day and evening the start home was made shortly after 3 o'clock yesterday morning.

A light rain had fallen, starting shortly after 2 o'clock in the morning, and as it was freezing slightly at the time, it made the roads somewhat slippery, although this condition was not noticeable on the concrete. According to those who were in the car, Mr. Dams was making about 31 miles per hour when he swung around the curve on the concrete and ran onto the macadam. The car skidded when striking the macadam, but the driver righted it and shut off the gas. The car had only proceeded a short distance until it again skidded, this time the rear wheels swinging to the left, while the front wheels headed for the ditch to the right. In swinging around the rear of the car struck a telephone pole, causing the car to stop abruptly. At the time of the impact George Fitzgerald was riding in the front seat with Mr. Dams; Don Swisher, George Olson and Mr. Yeager were seated in the rear. According to Mr. Swisher Mr. Yeager was asleep at the time of the impact. When the crash came, all of the occupants were thrown from the car but so suddenly did it happen that none of them is clear as to just how they left the car. It is certain, however, that some of them went through the roof, as it is splintered into pieces. Others it is believed, went through the side windows. Just in what manner Mr. Yeager left the car is not certain, but it is believed that he was thrown out through the roof and on leaving the car struck the telephone pole hit by the rear of the automobile. The other occupants were tossed several feet away, and when they had gathered themselves up and looked around they discovered Mr. Yeager lying by the pole unconscious. He was removed to the Maple Avenue hospital where he expired about two hours later.

It was a tragic ending to a day of commemoration and caused deep sorrow on the part of all Legion members as well as the many friends of the Yeager family.

Earl Yeager was one of the well known veterans of the World War, and was an active member of the local Legion. His interest in the affairs of the Legion prompted him to make the trip to Phillipsburg yesterday. He left home about 9:45 o'clock, waving a farewell to his two children, who were playing in front of the home at the time.

Mr. Yeager was 27 years of age, and was a graduate of the DuBois High school, class of 1918. He was a young man of exemplary worth. (Continued on Page Two.)

and his tragic death will cause general sorrow throughout the city. He is survived by his wife and two children, as well as his parents, Mr. and Mrs. R. H. Yeager, of West-Scribner avenue; one sister and a brother, Paul Yeager who is located in Pittsburgh.

No arrangements for the funeral had been completed last evening.

Another Overturn

Just a short time previous to the fatal upset of the Darius car, another machine overturned at almost the same place. This car was also being driven back from Phillipsburg, and Sam Marrara was at the wheel. He was accompanied by Joe Feinberg. The car went over, but was traveling at a slow pace and no one was hurt.

WINDBER HIGH NEXT IN LINE FOR C. H. S.

Saturday Coach Reed and his clan journey to Windber to meet Windber High in Clearfield's final league game. Windber, although their team is not near what they had last year, has an eleven that will make Clearfield play their best to have a possibility of winning. The "coal town" team has several notable performances to its credit, the latest being holding Norwin High, runners up for state championship and nearly winning, losing only on some bad breaks. Another notable performance was a 15-0 game with Lock Haven which the miners lost by a little tough luck. Clearfield High's squad reported for practice last evening in fair shape, the only injuries being a couple bruises. But they should be around O. K. before Saturday and the team should enter Saturday's game at their best "fightin' weight." DuBois and Curwensville got a lot of encouragement out of Tuesday's game and score and are preparing to put Clearfield on the slaughtered list.

Both of these teams claim a much better showing against Windber than Clearfield made but they must meet Clearfield and defeat them to win from them.

THANKSGIVING DAY RUN

Clearfield athletic followers are to have the privilege of witnessing a real Thanksgiving Day run this season if present details work out as planned.

Most every city this size or per-

haps a little larger, never fails to put on their annual Thanksgiving race to which the residents turn out to encourage and see. Clearfield is to be no exception.

The first annual event will be in the form of a Relay Race and will be staged between the churches by young men over 16 years of age; the number of runners on each team being according to the number of churches which enter. The course will

start and finish at the Y. M. C. A. but cannot be determined until all the entries have been received and which close Thursday, Nov. 20th at 9:00 p. m. This will give the runners one week to train on the course. The first man of each team will start at the "Y" and run to the first church outlined on the course where he will pass an object to the second man on his team and so on until the course is covered.

A large handsome banner, now on display in the Y. M. C. A. lobby, will be awarded to the winning team and must be won two years for permanent possession. The entry will be 50 cents for each team, entries to be made with Physical Director at the Y. M. C. A. There are many local athletes waiting for just such a chance to keep in shape and no doubt many teams will be entered which will bid fair for a successful race.

Such popularity must be deserved

To convert critics into enthusiasts, whether for a newschool of music or for a cigarette, requires something more than luck. There's sound reason for every big swing in popular taste.

So, to account for Chesterfield's

swift rise, look to the cigarette itself, its tobacco, its blending—in short, its taste. This one thing alone—its decidedly better taste—explains why thousands of smokers are changing from other cigarettes to Chesterfield.

Santa's Post Office Opens Tomorrow

Every year we have arranged to have a direct post office connection with Santa at the North Pole. This year we'll probably arrange something even quicker than ever before. So write your letters to get ahead of the Christmas mail rush.

Toyland Is Open

Santa Souvenirs For Every Kiddie

Tomorrow afternoon we will give to every boy and girl who comes to Toyland a pretty little cut-out of Santa himself. He's a right jolly old fellow and his pack right along with him. Get one.

TOMORROW AFTERNOON RIGHT AFTER SCHOOL AND EVERY DAY UNTIL CHRISTMAS

Oh Boy! This is going to be SOME opening! Never anything like it. Don't miss it for a million dollars. You and your side-kicker from Reedsville school or Plymtonville school will have to get a move on if you beat the kids from the East End to it. But, come anyhow, get here as soon as you can. Remember last year when you had to keep quiet when Jack was telling all he saw and you hadn't seen it—yet? And do you remember, Mary, when your little friend was talking about the dolly that she had picked out and when you saw it, found that it was just the one you wanted.

There's trains, books, blocks, velocipede, coasters, skates, 'n everything—but what's the use of spoiling it for you—come and see it all for yourself. It'll all be ready for you just as soon as you can get here after school tomorrow.

Every Boy and Girl - Everywhere Invited

This is going to be a year when you should do your Christmas shopping as early as you can. Openings are earlier and this means that the stocks are going to be picked over quicker.

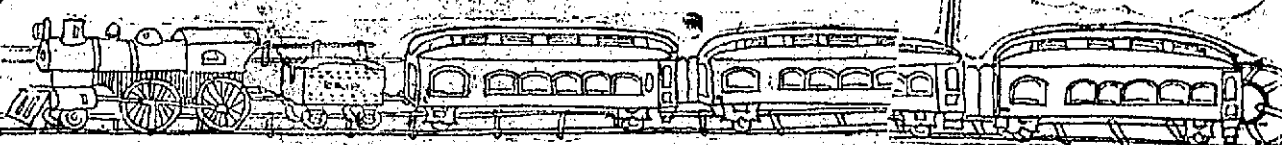

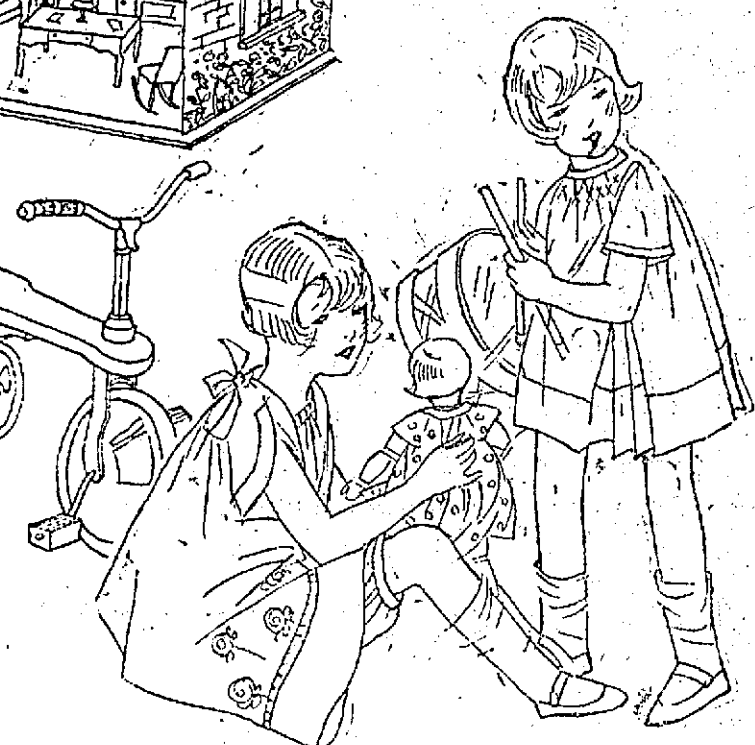

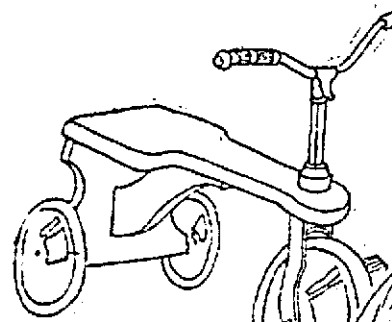

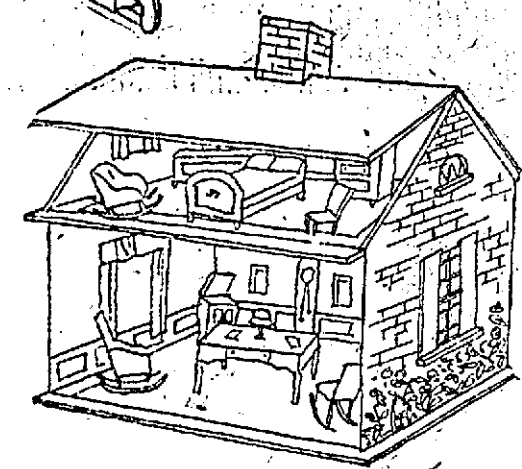

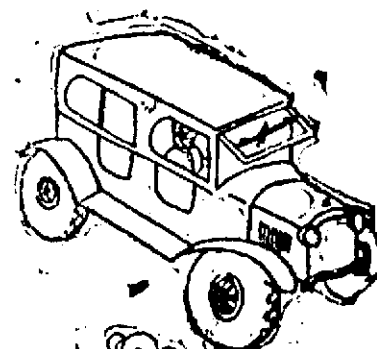

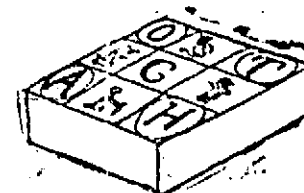

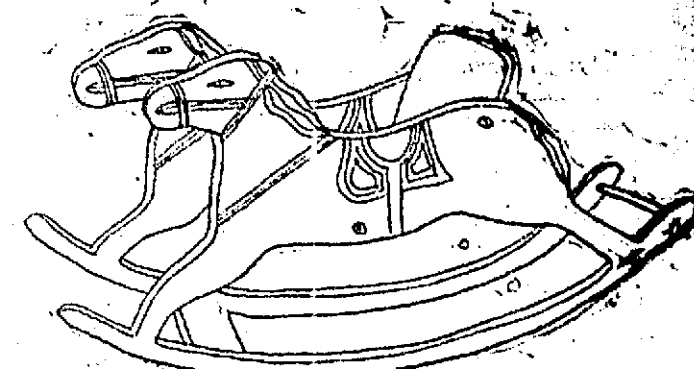

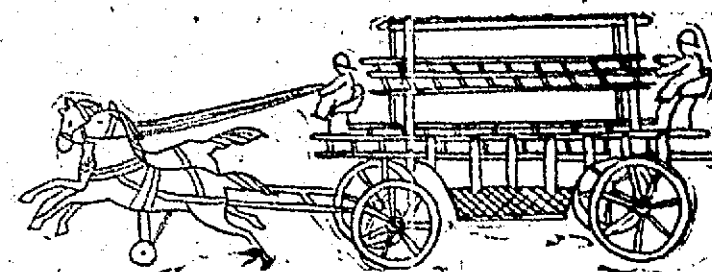

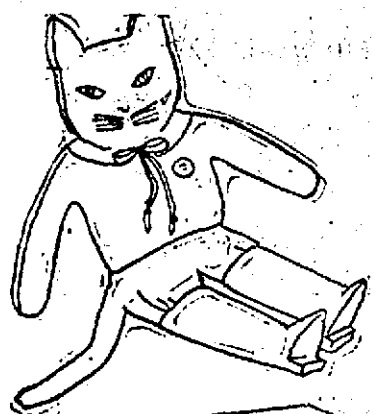

No matter where you live, East End, West Side, Reedsville, Plymtonville, Paradise, Woodland, Wallacetown, Barrett, Curwensville, Hyde City, you should see our TOYLAND. If you can't get here tomorrow, come in later on but come as quickly as you can.

See It Before All The Other School Kids

On Saturday all the folks will be talking about the things they've seen at Leitzinger's. Better do all the errands for Mother first thing tomorrow morning. Then you'll have plenty of time to get here right from school. But, if you don't get here tomorrow, come in Saturday morning early. Everything will be ready for you.

ODDS AND ENDS AND THINGS

By J. D. C.

Louis Angel Firpo is like the late lamented Democratic party—needs a lot of "road work" and a "punch." Both have gone to seed.

Recently a great English cathedral was opened under singular liberal conditions. The officiating bishop declared that the structure was to be regarded as the home of all Christians, regardless of their denominational affiliations. Dissenting ministers are to be invited to officiate a time to time. And now comes the English bishop to the front in a scheme to open his cathedral to all sorts of Christians with the ultimate purpose of bringing about a real and complete union of all the Christian bodies. These are fine signs, indications of the growth of the spirit of liberalism among the state churches, but the actual union of all professing Christians is still in the remote future.

Applications for the soldier's bonus are reaching Washington so sluggishly that the Government is considering a nationwide campaign to hurry along the requests. Unless the applications are speeded, the Government bonus machinery will have no material on which to work after the first of the year.

No public spirited citizen, who makes any pretense at considering himself a Christian can justify himself in refusing to enroll as a member of the local chapter of the American Red Cross. This very worthy organization, in looking after and guarding the public health, relieves the distress surrounding the cases brought to their attention and therefore are doing His work in a manner

that is both effective and true Christian like. When the solicitors come to your door in a few days, as they will, let your conscience be your guide. Do not act the lie by pretending you are out, but receive the collector, enroll your name and pay over your dollar cheerfully. It is well worth while.

NORWIN HL. IN SYRACUSE RACE, DOWNS WINDBER

Johnstown, Pa., Nov. 11.—Norwin High school encountered some real opposition from the plucky Windber eleven at Windber today and it was not until after a bitter and desperate struggle that the redoubtable dand smooth working visiting team was able to grasp the laurels by a 13-0 score. The visitors scored as the result of breaks of the game, and it was a disheartening defeat for Windber, which put up a courageous battle against big odds and did laudable defensive work.

In the second quarter, Elkins intercepted a pass near midfield, returning the oval to the 30-yard line from where the visitors worked it over on successive line plays. Another score in the fourth quarter resulted directly from a fumble. Albright scooping the ball up near midfield and racing for a touchdown. Wilson, stellar tackle, suffered a fracture of the shoulder and will be out the rest of the season. Lineup:

NORWIN—13	WINDBER—0
Kicker	L. E. Lloyd
Lattimer	L. T. Depolo
McNeb	L. G. Kougen
Hoffman	C. Torquato

LONGEST DRY PERIOD

Pittsburgh, Pa., Nov. 13, (INS).—The longest dry period in the history of Pittsburgh may be broken early tomorrow by a rain storm now moving eastward over Kentucky, Indiana and the Mississippi valley, according to the forecast made today by the local weather bureau.

Rain in any quantity has been absent from this section for 44 days, only .14 of an inch having fallen since October 1.

'Squire J. W. Laing and Constable Aaron Peacock, of Coalport, were transacting legal business at the Court house today. Constable Peacock said he was not much alarmed over the spite suit brought against him by interested parties up in that end of the county.

W. E. Sollinger, the life saver man, whose product, Andy Volstead, was supposed to have retired from the arena, was in Clearfield today demonstrating that good things can "come back."

IS RECOVERING SLOWLY

Philip Watts is recovering quite slowly from the injury he received in an automobile accident over a week ago, although doctors believe he will pull through in time. Only a subconscious state has existed, so far, and he will respond to question at times. He has not recognized any of his folks yet.

The accident occurred near Urbana,

Ohio, while returning to school with some boy friends. The driver was blinded by the lights of another car and hit a high culvert, throwing all the occupants out, but only injured the one person who did not happen to be driving at the time. Ones who saw the accident said the boys were traveling at a moderate speed but owing to the sudden stopping of the car were thrown very hard.

FAREWELL PARTY

Lysle Owens, who left yesterday for Arizona, was tendered a farewell reception or party at Idora Park the evening before at which a large number of his friends were present. The party was gotten up by Sylvan Williams and was a very pleasant occasion. Dancing and games were indulged in and delicious refreshments enjoyed.

Mr. Owens expects to spend a couple of days with friends in St. Louis while on his way west.

To Cultivate a Sense of National Responsibility Toward the Fisheries

By HERBERT HOOVER, U. S. Secretary of Commerce.

WE HAVE not alone the problem of food fisheries, but we have a problem that, while perhaps not so vital to food, is yet vital to the development of American life; that is the problem of the outdoors. The development of the automobile and good roads has enabled a far larger portion of our people to take to the great outdoors for recreation both of body and soul. I do not consider it an exaggeration to say that this summer will have seen two million anglers upon our streams and coast. In one state alone 200,000 individual licenses have been issued this year. Every fisherman will confirm that our game fish are decreasing steadily under this pressure and with them one of the great lures to the outdoors is being destroyed. We cannot maintain our fisheries unless we allow enough of each species to escape to reproduce the school, and unless we increase and improve our methods in propagation. We cannot get them to reproduce if we pollute and poison the waters in which they must spawn. The steps before us are:

To cultivate a sense of national responsibility toward the fisheries and their maintenance; to make conservation of those priceless resources a part of the national instinct; to let the whole country understand that we can no more overfish and expect to have sea food than we can outcut the growth of our forests and expect to have timber.

To make a vigorous attempt to restore the sturgeon, salmon, shad, lobster, crab, oyster and clam and other littoral fisheries on the Atlantic coast.

To secure the prevention of pollution from sources other than ships both in coastal and inland waters.

To undertake the reinforcement of stocks of game fish throughout the United States.

The World Needs Most a New Understanding of the Knowledge at Hand

By DR. ARTHUR D. LITTLE, Address to Franklin Institute.

The "fifth estate" is that small company upon whose creative effort the world depends for the advancement of science. Our countrymen may well consider whether they prefer participation in government by the fifth estate for the benefit of all, or control of government by labor unions in the interests of labor.

Could the springs of human conduct and the affairs of peoples now be regulated only as wisely as we know how, there would be work and leisure and decent living for all.

The criminal, the defective, the feeble-minded would be bred out, and sane minds and sound bodies bred in. The loss and suffering from preventable diseases or accident would not be tolerated, planning would replace laissez-faire development, production and distribution would attain the levels of efficiency altogether new, and many injustices now existent in human relations would well-nigh disappear.

With the reaction of a freed intelligence on politics, religion and morals we might hope for a broader tolerance, a better mutual understanding.

The world needs most a new tolerance, a new understanding and appreciation of the knowledge now at hand.

For these it can look nowhere with such confidence as to the members of the fifth estate.

Progress Editorials for Women

THAT STICK-TOGETHER HABIT

By FLORENCE DAVIES

"Sheep women." That's what a clearheaded business woman with a good sense of values called the group she was discussing over the teacups.

"They asked us all to send our cars to take the convention delegates and visitors driving," she said. "The chairman of transportation worked like a dock foreman, trying to load up the flivvers and 'coopers' and limousines that were pawing the air in front of the hotel where nobody is allowed to park."

"Do you think those women would hurry and get in and go off? They had to see Mrs. Blank just a minute, of they wanted to crowd a group of five into a four-seater with a driver. That was the really aggravating thing. Instead of breaking up, getting away from Mrs. Somebody they'd come up with, and making new friends, they'd hold up the procession unless they could 'all go together.'"

"O yes, they really wanted to go, but they were just sheep women. Couldn't separate from the bunch. Must go when and where the others went, see things together. I drew one passenger when I gave up the afternoon to take three."

Togetherism is weakening somewhat since women began to learn to stand alone with their own ballots in their hands, but there is still too much of it.

Strong friendships among women, the power to work together in harmony, may be developed without the little clique spirit that makes the same group "bunch" together at the club luncheon, the afternoon tea, the lecture or gallery tour.

The way to broaden one's mind and one's heart is to take advantage of the changes to make new acquaintances, new friends, either in one's home town or at an up-state convention.

"Sheep women." Are you one of them? Don't be. It isn't 1924.

PENNSY - GRAMS

Philadelphia, Nov. 13 (INS).—Following the arrest of Carl W. Schmid, a teller at the Franklin branch of the Franklin Trust Company yesterday, in connection with the disappearance of \$90,000 of bank funds, a warrant was issued for the arrest of a fugitive clerk, whose name has not been revealed. Schmid told police he was a "foob" and had merely covered up for the other man without profiting himself.

Philadelphia, Nov. 13 (INS).—Hiding in her room until she returned with two men callers, William Wilson, a railroad detective last night shot and killed Mrs. Anita Buckman, 35, a widow, and then fired a bullet into his own brain. Wilson died instantly and the woman is at a hospital where she was taken. Jealousy was believed responsible for the murder.

Harrisburg, Nov. 13 (INS).—The 500,000 licensed hunters of the State can now take to the fields after bear and small game without worry of forest fire danger. Rain and mists have lessened the fire menace to such an extent that Gov. Pinchot has opened the entire State.

Harrisburg, Nov. 13 (INS).—Clarence Beck, coach of Tech football team, will again take charge of the squad this week. Beck was injured while playing for the Pottsville Maroons and will be lost to them for the remainder of the season. However, his injuries will not keep him from his work as coach.

Norristown, Pa., Nov. 12 (INS).—Police are holding Albert Coates, 21, colored, who is believed to have turned on several gas jets flooding the house with fumes, while robbing the home and store of Mrs. Mary Clark, 70 here last night. Mrs. Clark heard the man moving about the store and notified the police. It is thought that Coates may have planned to asphyxiate the women to prevent his capture.

Philadelphia, Pa., Nov. 12 (INS).—Dashing back into her burning home last night to rescue her pet dog, Miss Priscilla Hart, 21, nearly lost her life. Firemen found her unconscious on the floor with the little dog tightly clasped in her arms.

GRAMLICH—WARNER

Mr. Joseph C. Gramlich of Baltimore, Md., and Miss Laura Louise Warner of Clearfield, Pa., were united in marriage in the West Side M. E. parsonage on Saturday afternoon, Nov. 8th, 1924, by the pastor, William L. Armstrong. The ring ceremony of the Methodist Episcopal Church was used. The bride's mother, Mrs. Ernest L. Brooks, and her brother, Mr. Ernest L. Brooks, were the best men. The groom is a traveling salesman for the Chicago Shirt Manufacturing Company. Their friends wish them the best and most prosperous life possible with all attending happiness.

When Foote Scored on Garrick, Garrick, the famous actor, was well known for his meanness, and one day Foote, the comedian, scored neatly. Garrick had been ridiculing a third party, when he retorted and said: "Well, I suppose I ought to take the beam out of my own eye before I condemn another." "So you would," retorted Foote. "If you could but sell the timber!"

FAILS TO APPEAR AFTER BEING RELEASED, MAN RE-ARRESTED

Sheridan Coder, who failed to reappear at the office of Alderman H. C. McClellan some time ago after he had been released on his own recognizance on a charge of attempted larceny, was re-arrested yesterday by Constable Henry Boldt and will be given a hearing today.

Coder came to Altoona more than a month ago with a party of men from Clearfield who were looking for work. While the others of the party sought employment Coder is alleged to have attempted to steal an automobile, loosening the wires and trying to reconnect them that the engine of the car might be started without unlocking the ignition.

He was arrested on the information of the men but was unable to give bail for a hearing and because Alderman McClellan was called away from town was released on his honor. Coder failed to reappear until found by the constable yesterday.—Altoona Tribune.

GILL—BELL

The parsonage of the West Side M. E. Church was the scene of a happy and joyous event on Saturday afternoon, Nov. 8th, 1924, when the pastor William L. Armstrong, united in marriage with the beautiful ring ceremony Mr. Joseph C. Gill of Coalport, Pa., and Miss Alice M. Bell, of New Millport, Pa. The groom is a prominent and successful business man of Coalport and the happy couple will take up their residence there. Their host of friends unite in wishing them a happy and successful life together.

Dante Made Big Hit Here Last Evening

Dante, the noted European magician, will appear under the management of Thurston, famous American magician, closes a 2 days engagement at Deings Theatre tonight. Every man, woman and child can remember, with a thrill of genuine pleasure, the joy he or she experienced in witnessing their first magic show. It somehow or other takes its place as a producer of exhilarating sensations in the region of the solar plexus, or Christmas Eve around the old fireplace, that wondrous day, when as a boy we put on long trousers, or as a girl put on long skirts and "did" our hair—or graduation day in the "opry" house back home. Herman and Keller and Thurston, the three magicians stars in the realm of magic for the past fifty years, will be recalled by members of the older generation. Thurston succeeded Keller eighteen years ago and has proven himself in that time to be unquestionably the greatest magician America has ever produced. Of late years, however, the demand for his appearance has been so great that he has finally made arrangements with Dante, Europe's foremost conjurer, to visit this country. Dante has just completed a tour of continental capitals, during which he played before King Christian of Denmark, King Albert of Belgium, the Prince of Monaco, King Alfonso of Spain and the Prince of Wales.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested food? Take Olive Tablets the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without drugs, or cramps or pain.

Take two at bedtime for quick relief. See what you like. 15c and 50c.

OXIDAZE

TABLETS
Made With Essential Oils
Politicians -- Auctioneers
Clergymen -- Lecturers
Singers

Anyone who speaks or sings in public whose voice is apt to grow hoarse or weak from the strain, will find that one Oxidaze tablet slowly dissolved in the mouth before speaking or singing, will make a world of difference. The voice stays strong and clear and natural even during an unusual strain.

Thousands of people have testified to the remarkable value of these pure essential oil tablets, which bring such quick relief in cases of Hoarseness, Loss of Voice, Soreness, or Tickling in Throat, Bronchitis, Bronchial Irritation, Bronchial Asthma, Coughs, Colds, and as a preventative against Grippe, Influenza and Pneumonia.

One small inexpensive package of "Oxidaze" tablets will quickly prove the value of pure essential oil in cases of this kind; if they are always kept in the house for use in case of an emergency, they may save you many days of serious illness or discomfort. Any good druggist, including Bloom's Drug Co., can supply you.

Eating Here Is Pleasant

The desire for human companionship, especially about the time when you would have gathered around your own table had you been eating at home, is satisfied here. The folks who eat here regularly are just like one big family with the pleasant side out.

Join the family and you'll enjoy it.

AFRAID SHE COULD NOT LIVE

Operation Advised, But Lydia E. Pinkham's Vegetable Compound Made It Unnecessary

Glasgow, Kentucky. — "I was run-down, nervous, with no appetite. My side had given me trouble for five or six years. I was all the time it was all I could do to live, and the doctor said I couldn't live but a short time longer without an operation. That was two years ago. My sister-in-law recommended Lydia E. Pinkham's Vegetable Compound. She had never used it herself, but she said one of her neighbors suffered just like I did, and it cured her. After I had taken four bottles the pain left my side, I had a fine appetite to eat anything that was put before me, and I began to do all my work and my washing, something I hadn't done for years. I am a dressmaker, and this last fall I began suffering with my side again, so I began taking the Vegetable Compound again. I am on my fourth bottle, which makes eight in all I have taken. I feel so much better when I take it and everybody tells me I look better. My appetite improves and I feel stronger in every way. I am a very nervous woman and it seems to help my nerves so much." — Mrs. MAGGIE WALLER, Glasgow, Ky.
